Minutes of the Meeting

The Quarterly Performance Review of October to December 2016, done on January 12th and February 21-22nd 2017, was reviewed for performance under the chairmanship of the Hon'ble Vice-Chancellor. The meeting was held in the Boardroom, on 28.2.17, between 10-12 pm.

MINUTES OF THE MEETING

Point number 1: Many ongoing researchers have projects that extend more than 3 years. Decisions must be taken by the Dean research to fix the maximum limit for the study while allocating the seed money. Seed money disbursement is less in certain departments. Must encourage all to submit the proposals for review for seed money.

Point number 2: Publications in the in-house journal are less as they are not indexed yet. Steps to be taken to index them. IGIDS and KGNC to increase the number of publications and their quality by publishing in high impact journals.

Point number 3: Outreach and extension activities are appreciable.

Point number 4: Faculty participation in conferences sponsored by external agencies is less in number. Suggested to be sponsored by SBV

Point number 5: The commemoration day celebrations are good in number but documentation with photographs and event report to be improved.

Point number 6: IPR activities must be improved. The IPR Cell must conduct sensitization workshops for the faculty on the process of applying for patents and copyrights.

Point number 7: Off campus SSSMCRI had last 2 quarters meeting this time. This must be avoided in future, as stated by the Vice-Chancellor.

He concluded the meeting suggesting that all the data obtained must be compiled and monitored for compliance as submitted in the respective Annual strategic plans.

Point number 8: The UGC initiative on environmental sciences to be conducted as a conference at SBV. CIDRF will take lead.

Point number 9: Quality workshop on "Total Quality Management" on 17th Feb was conducted by IQAC
