Action Taken Report

S N	Discussed points	Resolution	Action taken
2	<i>Faculty attending international conferences – sponsorship by SBV can be enhanced</i>	<i>Vice-Chancellor directed the Registrar to make a note to the Chancellor for his opinion. But he stated that unless they present a research paper it cannot be approved.</i>	Discussed with the Dean Research and attempts made to enhance the same.
4	<i>Students enrichment programs in the form of field visit is more in the community and less in industry or hospital or health care setup.</i>	<i>The heads of the institutions decided to sensitize the VP students' affairs to explore opportunities.</i>	The Dental Principal was included in the discussion to send the students for visits to dental manufacturing companies/ labs
7	<i>IQAC coordinator suggested if the QER process can be made in the soft copy instead of</i>	<i>VC appreciated the idea and suggested for compilation of centralized data base for SBV. Asked</i>	Centralized database is being discussed with the Head,
