Action Taken Report

Based on resolution of meeting on 29.1.19

1. Sensitization sessions were held by Prof. Ananthakrishnan on the new NAAC manual. The QnM and QIM concept of the assessment was explained in detail. The QER template accommodated few elements of the NAAC manual.
2. All evidence collected during the QER is compiled at IQAC in soft format based on the new manual.
3. MIPTECH committee was setup by the VC to improve the outcome in patents / copyrights and technology transfer.
4. A uniform template for proposing fellowship programs was deployed to all departments.
5. SBV credit points system was approved in the AC. All programs and events conducted by any constituent unit of SBV will be applying for the points; this will also enable that IQAC is informed of all activities.
