SBV/ Council Meet/ V/ 2018

23/08/2018

MINUTES OF THE FIFTH MEETING OF THE SBV COUNCIL

The fifth meeting of the SBV Council was held on **22nd August 2018**, Wednesday at **2.15 pm** in the SBV Board Room under the Chairmanship of Prof.N.Ananthkrishnan, Dean of Faculty, SBV.

The following members of the SBV Council were present in the meeting

- 1) Prof N.Ananthkrishnan, Dean of Faculty-Chairperson
- 2) Prof M.Ravishankar, Dean FoM
- 3) Prof P.F.Kotur-Dean SSSMCRI
- 4) Prof R.Saravanakumar, Principal, IGIDS
- 5) Prof K.Renuka , Principal, KGNC
- 6) Prof K. Nirmal Coumare, MS, MGMCRI
- 7) Mrs. Asha Suresh Babu, GM(Admin), SBV
- 8) Prof A.R.Srinivasan-Registrar

After detailed discussion the following decisions were taken with respect to various agenda items as given below

1. To nominate two medical faculty from SBV and one from medical faculty of another Indian University to the Governing Body of the Indian Council of Medical Research for a period of 3 years as requested by Association of Indian Universities (AIU) vide its letter Meet/ ICMR/ 2018 dated 30/07/2018.

It was unanimously resolved to nominate the Vice-Chancellor, Sri Balaji Vidyapeeth (Prof.S.C.Parija) and Director CIDRF (Prof Adithan C.) from Sri Balaji Vidyapeeth and Col.Dr.A.Ravikumar Dean (Education) SRMC from outside the university.

2. To deliberate on the request submitted by Ms. Bhuvaneshwari Ramesh, Tutor for the post of Lecturership in Music Therapy, it is opined by Registry that the request can be considered after the candidate completes two years at SBV from the completion of M.Sc Music Therapy programme.

Since Ms.Bhuvaneshwari Ramesh is pursuing part time PhD, she is advised to wait till she submits her synopsis before being considered for redesignation as lecturer.

3. To deliberate and decide upon the candidature of Dr. Santosh Reddy K (UIN: 1501091010), MD – General Medicine to rejoin the course after 891 days of break, upon payment of requisite fees and consider the period of absence as deferment.

Dr. Santosh Reddy may join the course after payment of all arrears of fees, as listed by the account section. He will then put up the required attendance, as per MCI norms before being allowed to appear for the final examination.

4. To deliberate upon the proposal of conducting International Health Research Convention 2019 by SBV during July 2019.

The proposal for conducting the International Health Research Convention 2019 by SBV was placed before the Council by the Registrar who presented the overall layout of the Convention. While approving the proposal, the members insisted that the Committees for various events have to be constituted giving equal importance to all cadres from all the constituent colleges of SBV.

5. Inclusion of additional material for course work pertaining to Ph.D in Nursing sciences, in compliance with the directives of INC consortium.

Since this is not mandatory and falls outside the Ph.D Regulations of UGC, it was not accepted.

6. To examine the probability of upholding the deferment of M.Phil programme, of Dr. Niranjana, former professor and Head in-charge, department of Biochemistry, MGMCRI by 6 months vide requisition from Dr. G. Niranjana through communication, namely MGMCRI/Biochem/2018/350 dt. 31.07.2018.

The duration of the M.Phil has already been notified for Health Professions Education (HPE) as two years and extendable to four years, Dr. Niranjana who has completed only two years can complete the requirement for M.Phil in the remaining available time of two years; therefore, he need not be considered for deferment.

7. To consider the reduction in the scale of punishment inflicted on Mr. Praveen Kumar V, II MBBS (1501001062) of MGMCRI as forwarded by the Dean – MGMCRI dated 20/08/2018.

Not acceded to, since the malpractice at the examination was proved, based on the findings and report of the duly convened committee following enquiry.

8. To deliberate on the policy for nomination to awards by private organisations in connection to the recent communication from Marina Labs, Chennai for Dr. A.P.J. Abdul Kalam award for Teaching/Scientific excellence for the year 2012.

Matter to be discussed with Chancellor for uniform policy in this regard.

9. To deliberate on the provision for creating funds as well as relief teams to help the people of Kerala reeling under the recent flood / landslide disaster.

Since individuals have already contributed for relief from the Deemed university to various NGOs', there is no need to have a uniform policy for SBV. Further, the Medical Superintendent also apprised the SBV Council that offer of the Medical help has already been turned down by them. Meanwhile as individuals all staff can continue to contribute their mite for rehabilitation of this National Calamity.

10. To restructure the format for obtaining the Concurrence from the External Evaluators for Evaluating the M.Phil. / PhD Synopsis.

The new evaluation form for M.Phil/Ph.D synopsis have been approved and will be placed before AC for noting.

11. For noting - The B.Sc Medical Imaging Technology course of Mahatma Gandhi Medical College & Research Institute offered under the faculty of Allied Health Sciences is recognized by Atomic Energy Regulatory Board (AERB) and acceded into the list of approved diagnostic X- Ray Technologist courses in India in line with AERB requirement.

A letter would be sent by the Registrar to department of Radiodiagnosis, HoD, congratulating for the efforts in this regard. The head, Radiodiagnosis of Sri Sathya Sai Medical College and Research Institute(SSSMCRI) is also advised to initiate the same for B.Sc in Medical Imaging Technology course at SSSMCRI.

Respected Sir,

Sub: Invitation to be the Guest of Honour at the
International Health Research Convention 2019- Reg.
Ref: Our telephonic conversation

Greetings from Sri Balaji Vidyapeeth a Deemed to be
University (SBV), Pondicherry !!!

SBV has embarked on a mega event titled "International Health Research Convention" from 19-21, July 2019. The event includes 12 Conferences, 15 Workshops besides Stakeholder meetings and start up activities. Over 50 International Speakers and 200 national speakers are participating in this event. We are expecting more than one thousand five hundred delegates drawn from India & abroad.

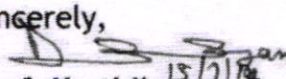

The convention is spread over a period of 3 days, that aims to bring together a galaxy of eminent personalities from across all health profession specialties and promises to be an exciting academic endeavor. A plethora of variegated topics in Medicine, Dentistry, Nursing Sciences and Allied Health Sciences will figure in the three day event.

In this regard, on behalf of Sri Balaji Vidyapeeth, it is our immense pleasure and honour as well to extend a cordial invitation to grace the occasion as **GUEST of Honour** at the inaugural ceremony which is to be held on Saturday the 20th July 2019 at SBV Campus.

Sir, we request your esteemed and invaluable presence by inaugurating the convention and delivering the speech address thereafter. Looking forward to the pleasure of hearing from you soon.

Please let us know your itinerary so that we shall ensure your comfortable visit

IHRC - 2019

Sri Balaji Vidyapeeth hosts health research convention

Experts stress on the need for a research culture rooted in ethics

**SPECIAL CORRESPONDENT
PUDUCHERRY**

Experts have advocated a research culture rooted in ethics across higher education institutions.

Participating in the recent three-day International Health Research Convention (IHRC) hosted by Sri Balaji Vidyapeeth (SBV) at its main campus in the city and off-campus in Chennai, the experts who discussed various facets of scientific research said that while fostering scientific research in higher education was important, it was equally essential to promote ethical values in such endeavours to ensure global validation and relevance for humanity as a whole.

The convention sessions spanned academics, research, patient care and entrepreneurial skills in health science disciplines. The event, which hosted 15 workshops, 12 conferences, two stakeholders meetings and three startups, was supported by a host of organisations

The convention sessions spanned academics, research, patient care and entrepreneurial skills in health science disciplines. *SPECIAL ARRANGEMENT

including the World Health Organization, Ministry of Health & Family Welfare, Government of India, Medical Council of India (MCI), Council of Scientific and Industrial Research (CSIR), Department of Biotechnology, Government of India, Indian Council for Medical Research (ICMR), Madras Medical Mission besides two overseas universities – the IMC University of Applied Sciences, KREMS, Austria and Angila Ruskin University, Cambridge, United Kingdom.

Over 50 international

speakers, 200 national speakers and nearly 1,500 delegates participated.

The stakeholders meeting pertained to Scrub typhus and Entamoeba histolytica, recommendations pertaining to prospective policy changes in health education and a workshop on "Writing and formulating evidence based research paper" led by the Vice-Chancellors of various universities.

Among the guests of honour at the convention were Srikanth Prasad Tripathy, Director, National Institute of

Research in Tuberculosis, Chennai, S.R. Rao, Adviser, Department of Biotechnology, New Delhi, Government of India and Siva Subramanian, Georgetown University Hospital, US.

Subhash Chandra Parija, Vice-Chancellor of SBV, said earmarking human resources and workforce for infrastructure alone would not project the higher education institution positively in the comity of universities.

Era of globalisation

"In an era of globalisation, there occurs an immediate need to advocate and embrace artificial intelligence, data mining and dig data, besides Internet of Things (IoT), he said.

M. K. Rajagopalan, Chancellor of SBV, released the souvenir of IHRC 2019 in the presence of P. Karthikeyan, Head, Department of ENT, Mahatma Gandhi Medical College & Research Institute, organising secretary general of IHRC.
