

Valuation statistics of SBV for the last 5 years

At SBV, the answers scripts of UG programs under faculty of Medicine (MBBS), Dentistry (BDS), Nursing (B.Sc & PBB.Sc Nursing) and Allied Health Sciences (B.Sc programs) are evaluated by single-level valuation. In case of PG (degree, diploma, fellowship) programs, answer scripts are evaluated by double/multiple-level valuation. Revaluation/Retotalling is conducted as grievance redressal mechanism for Undergraduate programs, where valuation is Single-level. The total number of semester-end /year-end examinations and the number of examinations where Single valuation and Double/Multiple valuation were conducted in last five years has been described in the table below.

Year	15-16	16-17	17-18	18-19	19-20
Number of semester-end /year-end exams conducted	86	98	105	129	157
Number of semester-end /year-end exams where Single valuation was conducted	29 (34%)	35 (36%)	45 (43%)	61 (47%)	81 (52%)
Number of semester-end /year-end exams where Double/Multiple valuation was conducted	57 (66%)	63 (64%)	60 (57%)	68 (53%)	76 (48%)
