Invitation

Dear Sir/Madam,

MMM College of Health Sciences warmly welcomes all the participants' researchers, faculty and delegates across the country to attend our National conference for allied health professionals NCAP 2020, on January 10th 2020 at MMM, Chennai. The city of Chennai is set to witness an extraordinary event which will be a learning experience for the students as well as professionals. NCAP 2020 is organized around the theme "Role of Allied Health professionals in Contemporary practices" that will have the gathering of experts from Health care industry. The conference comprises of brief keynote presentation, oral talks, poster presentation and exhibition. The best papers will be included in the conference souvenir.

About the College:

Since 1992, MMM College of Health Sciences has earned statewide acclaim as a premier educational institute for Allied Health Education. With a state-of-the-art facility, conveniently located in the heart of city, network of accredited programs offer a broad array of choices for a lucrative and rewarding career in today's highly competitive healthcare arena.

About Allied health Sciences:

Allied health professionals play a range of roles from health promotion health improvement and early intervention to disability and palliative care. Currently there is transition from single point of care to a multidisciplinary health team approach for obtaining betterment of patient outcomes where by Allied Health Professionals are emerging as important work force supporting diagnosis, recovery and quality of life .

Aims and objectives of the conference:

The objective of the conference is to empower allied health care professionals to promote development inculcate advanced technology to clinical practices. To learn and understand the emerging diagnostic and therapeutic modalities, innovation and quality assurance in allied health care.

Conference track include:

- ▶ Dialysis challenges & nutrition advancements
- ▶ Medical ethics and legal issues for AHPs
- ▶ Current research in anesthetic field
- ▶ Recent advances in coronary heart disease
- ▶ Fundamentals of Critical Cardiac Care Support
- ▶ Advance Techniques in CABG and Valve reconstruction.
- ▶ Harmonization of clinical laboratory test results.

Guidelines for Poster Presentation

- ▶ The poster size should be 90 X 120 cms. (Portrait)
- ▶ Line border of 2.5 cms from the edges to be provided on all sides of the poster
- ▶ The background of the poster should be milky white
- ▶ Chart – printed – pen – flex posters are accepted.
- ▶ Multi-colors painting can be used for making excellent, explicit and attractive Poster.
- ▶ No electrical power will be provided to presenters for demonstrating their devices or illustrations.
- ▶ Last date for the submission of posters is 28.12.2018
- ▶ One poster can be presented by two persons

THE REGISTRAR

SRI BALAJI VIDYAPEETHAM

(Deemed 33e University u/s 3 of UGC ACT, 1956)

Accredited by NAAC with 'A' Grade

Guidelines for Paper Presentation

Manuscripts should be one and half-spaced, with pages numbered. The title page should include the names, titles and affiliations of all authors and e-mail; Limit the number of authors to three or four. A word count is mandatory; articles should be no longer than 7,000 words (not including references and footnotes).

The Topics for Paper Presentation should be related to the conference theme.

Please include a data based, structured abstract of no more than 250 words (also not included in the total word count). Font- Times New Roman and Font Size is 12. Stick to plain English, and avoid jargon. Describe the study's methodology in a clear and simplified manner; dispense with arcane acronyms.

Guidelines for Paper Presentation

All data and factual observations need a reference with the relevant literature. It is intended to follow a reference style based on the citation-sequence (Alphabetical order). References are given as Bhatia et al., (1995) or (Population Council, 1999; Sadhu et al., 2000) in the text, and are listed Alphabetical order at the end of the document after conclusion of the article.

Topics for Poster Presentation:

- ▶ Patient's safety and role of allied health professionals
- ▶ Infections in Organ Transplantation
- ▶ Disease control in Humanitarian emergencies

About the VMRF - DU

Vinayaka Missions had its inception in the year 1981 with the establishment of the Thirumuruga Kirupananda Variyar Thavathiru Sundara Swamigal (TKVTSS) Medical Educational and Charitable Trust. Not far from then, in 1982, the Founder-Chairman, Dr. A Shanmugasundaram instituted the Vinayaka Mission's College of Pharmacy in Salem, the pioneer institution of Vinayaka Missions. In the year 2001 the "Deemed to be University" status was conferred on Vinayaka Missions by the Ministry of Human Resources Development, Government of India, with the recommendations of the UGC Under Section 3 of the UGC Act, 1956 as an acknowledgement of its excellence, satisfaction of the highest level of academic standards and best infrastructural facilities provided to achieve preeminence in education and by virtue of this recognition Vinayaka Mission's transcended to becoming Vinayaka Mission's Research Foundation (VMRF) as the 48th University in India. VMRF takes pride in being The only one of its kind in India that has established three medical colleges, one dental college, and two engineering colleges apart from other paramedical and homoeopathy colleges.

About the FAHS

Faculty of Allied Health Sciences, is a Place where diverse Knowledge, Information and education camouflage to make better humans for the globe. Faculty of Allied Health Sciences was started in the year 2004 with just 20 students and one department with a motive of giving the best education and training in the field of Allied health sciences. Now it has grown enormously not only in student strength but also in terms of its quality and dynamicity. We at FAHS are dedicated to make our students excel in academic and life skills, the most needed in this fast changing world. The infra structure, clinical exposure, hands on training, up gradation of techniques and teaching methodologies are the key to outstanding performances by our students. Extensively available book and international journals opens up the new possibilities in different streams of study. With a motive to inculcate social responsibility many extracurricular activities like Community outreach programs, NSS, RRC, have been initiated and done successfully stepping into the 16th successful Year with 1800 Students, Highly qualified, able and dedicated faculty we are sure to reach the stars Now we are stepping into the 16th successful year with 15 Under Graduate courses, 9 Post Graduate courses, and 3 Diploma courses, we are sure to reach the stars with our highly qualified able and dedicated faculty.
