Field Visits in the last 5 years			
Sl.No	Activity	Number of students involved	No : of visits
1	PHC visit Kirumpakkam PHC	323	12
2	RNTCP visit Kirumpakkam PHC	497	19
3	Sub centre /ICDS visit- cuddalore	574	13
4	sewage treatment plant visit	137	5
5	Well baby clinic at Kirumampakkam PHC	108	5
6	NCD Clinic Kirumpakkam PHC	111	5

Research Projects (includes ICMR-STs & Other Student Research Projects in the last 5 years)		
Sl.No	Title	Number of students involved
1	Need of home-based medical care among the geriatric population – A community-based cross-sectional study	1
2	Assessment of health seeking behaviour among fishermen community in Puducherry.	1
3	Bacteriological profile and their antibiotic susceptibility pattern in diabetic foot ulcer	1
4	Association of quality of sleep, Glycaemic status and post glucose load C – peptide response in Gestational diabetes mellitus	1
5	Bacteriological profile of asymptomatic bacteriuria in antenatal women and detection of ESBL production of the gram-negative bacilli	1
6	Effect of inhaled corticosteroids on lipid profile and high sensitivity C-reactive protein in asthma patients	1
7	Comparison of efficacy and safety of tramadol versus tapentadol in osteoarthritic knee pain: Anonymised controlled Trial	1
8	Evaluation and comparison of efficacy of the surface disinfectants used in a tertiary care hospital	1
9	Screening for <i>Helicobacter pylori</i> antigen in saliva of patients with Acid Peptic Disease in a tertiary care hospital	1
10	A comparative study of C-peptide and other surrogate markers of insulin resistance in GDM	1
11	Association of sleep quality and serum copper level in pregnant women with and without preeclampsia	1
12	Association of liver enzymes and endothelin – 1 level in pregnant women with preeclampsia	1

13	Knowledge, attitude and practices about breast feeding among mothers- A hospital-based study in Puducherry	1
14	A study of Knowledge and practices regarding breast cancer among self-help groups women in rural Pondicherry.	1
15	Health issues among Transgenders in Pondicherry	1
16	Safety surveillance and causality assessment of adverse events following immunisation in children – A Vaccinovigilance Study.	1
17	Effect of Lutein on Lipid Profile in Hypercholesterolemic Rats.	1
18	The efficacy of Bhramari Pranayama in relieving symptoms of chronic rhino sinusitis	1
19	Prevalence of domestic Violence among- Pregnant women in a tertiary care hospital	1
20	Knowledge regarding palliative care among medical undergraduate students of a medical University in Puducherry	1
21	Awareness of biomedical waste management among medical students	1
22	Platelet parameters in women with iron deficiency anaemia- Tertiary care centre of Puducherry	1
23	Assessment of anaemia in unbooked pregnant women in labour and its correlation with new born weight	1
24	Evaluation of Platelet indices in patient with thrombotic events and diabetes mellitus	1
25	Significance of micronucleus in exfoliates buccal mucosa of smokers in a rural population in South India	1
26	Allele and genotype frequency of POR 2*28 in South Indian population	1
27	Putative role of cardiometabolic markers and osteopontin and their relation to spirometric indices of airway obstruction among COPD patients	1
28	Can urinary levels of neopterin and oxidative stress index be used as biomarkers to predict the severity of intrauterine growth restriction in pregnant women	1
29	Evaluation of serum electrolytes and their relation to glycaemic status in patients with type 2 Diabetes mellitus	1
30	Association of Vitamin D levels and thyroid profile	1
31	Screening for autonomic neuropathy using validated non- invasive scale among diabetes patients treated in the selected primary health centres of Puducherry, India: An operational research	1
32	A randomised study on the efficacy of music therapy on pain and anxiety in nasal septal surgery	1
33	The coping strategies used by the parents of a child with special needs in Pondicherry	1
34	Immediate effect of Shavasana on Cardiovascular Autonomic Function and perceived stress in overnight sleep deprived drivers	1
35	Psychosocial and Physiological Changes in Smartphone addicted young adults of different personalities	1

REGISTRAR  
SRI BALAJI VIDYAPEETH  
(Deemed University u/s 3 of UGC ACT, 1956)  
Accredited by NAAC with 'A' Grade  
NH 45-A, Pillaiyarkuppam, Pondicherry-607 403.

36	Study of the differential expression profile of Glycogen Metabolism Enzymes GYS1+PYGL in glioblastoma multiforme using in vitro system	1
37	Effect of problematic mobile phone usage on cognition among under graduate students	1
38	Evaluation of Automatic response using heart rate variability and blood pressure in different intensities of isometric and isotonic exercises with similar heart rate	1
39	Influence of CYP2D6*10 and POR*28 polymorphism on analgesic effect of tramadol in acute osteoarthritic knee pain	1
40	Morphometric evaluation of frontal air sinus-a CT study	1
41	Visceral Adiposity Index (VAI) As an Assessment tool in cardiovascular morbidity with reference to thyroid status in insulin resistance	1
42	Assessment of electrolyte imbalance in post thrombolytic phase in acute myocardial infarction patient	1
43	A cross-sectional study of depression, anxiety and quality of life in patients undergoing haemodialysis in a tertiary care hospital.	1
44	Anatomical variation of right coronary artery an angiographic study	1
45	Effect on Phototherapy on biochemical parameters in new-born infants with neonatal jaundice.	1
46	Efficacy of innovative smart phone app in influencing the life style of adults with metabolic syndrome. A randomized controlled trial.	1
47	"Respiratory Morbidities among municipal solid waste management workers in Puducherry- a community based cross-sectional study"	1
48	To study the differential expression profile of GYS1 & PYGL in GBM cell lines under normoxic & Hypoxic conditions	1
49	"Disaster risk reduction among selected coastal villages in Puducherry-A community based cross-sectional study"	1
50	Analysis of complete blood count parameters among adolescent females with PCOD from southern part of India & correlation awareness of study population	1
51	In vitro determination of virulence factors of clinical isolates of dermatophytes	1
52	Correlation between the intervertebral disc thickness and diameters of intervertebral foramen of lumbar spine - MRI based study.	1
53	Phenotypic characterization of enzymatic and nonenzymatic virulence factors in etio-pathogenesis and evolution of drug resistance among dermatophytes.	1
54	Knowledge of breast cancer screening programme and attitude towards self-examination and triple among females attending master health check-up at a tertiary care hospital in Puducherry.	1
55	Attitudes and beliefs towards transgender health among medical students of a testing health care centre.	1
56	E-waste management practices and perception about its health hazards among households in urban Puducherry - A community based cross sectional study.	1

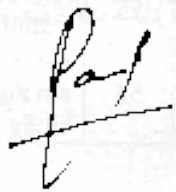

57	Anatomical & Radiological assessment of acromial morphometry and its implication in shoulder impingement syndrome.	1
58	Frailty and its correlates among elderly adults in rural and urban Puducherry - A community based cross sectional study.	1
59	Depression and its associated risk factors among children living in orphanages Urban & Rural Puducherry	1
60	Short term outcome of open lateral internal sphincterotomy as the treatment of chronic anal fissures.	1
61	Awareness of screening programme among females of reproductive age group attending the tertiary care hospital in Puducherry	1
62	Exploring the cardiovascular disease risk factor perception and barriers faced among working women - A community based qualitative study.	1
63	A. cross sectional study of sleep quality and psychological factors in patients with diabetes mellitus	1
64	Knowledge perception and practices regarding Swachh Bharat Abhiyan among adults in rural & Urban Puducherry: A mixed method study.	1
65	Scrub typhus in adult's development of an algorithm based on clinical features, haematological, Biochemical and serological parameters.	1
66	Seroprevalence of Hepatitis E antibodies in asymptomatic antenatal women from Tertiary Care Centre, Puducherry	1
67	Use of hand sanitizer in classroom to reduce illness absenteeism - A school based international trail in Puducherry	1
68	A study to assess the physical function and its association with quality of life and physical activity levels among dwelling older adults	1
69	Efficacy of disinfectant wipes in reducing the microbial contamination of mobile phones in a tertiary care hospital.	1

## SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE

Ammappettai, Nellikuppam Post, Kancheepuram District – 603108

Research Projects (includes ICMR-STs & Other Student Research Projects in the last 5 years)		
S.No	Title	Number of Students
1	Mental Health on Hypertension among the residents of Thiruporur	5
2	Assessment of diabetic risk among residents of Thiruporur	4
3	Assessment of Awareness about plastic pollution and attitude regarding plastic bags usage among rural population of Kanchipuram, Tamil Nadu	4
4	Assessment of Knowledge and Perception of Rainwater harvesting among Rural Population of Kanchipuram district, Tamil Nadu	5
5	Perceptions and Barriers in utilization of no scalpel vasectomy among married men in a rural area of South India.	5
6	Awareness of disaster preparedness among people in rural and Urban area	5
7	Assessment of public awareness about body measurement among rural population	5
8	Sleep quality in adults.	4
9	Assessment of self-medications among medical students.	4
10	Personal hygienic practices among School going children attending Thiruporur UHTC OP.	4
11	Assessment of knowledge & practices about tobacco usage among patients attending UHTC.	4
12	Comparative study of self-medications on medical and Engineering college students	3
13	Assessment of knowledge & practices about Alcohol usage among patients attending UHTC.	4
14	Knowledge and awareness about diabetes in Adolescent age peoples	4
15	Role of obesity in diabetic co-morbidities.	4
16	Prevalence and determinants of OA knee in adult population in rural areas, Kancheepuram district.	5
17	Prevalence of depression among elderly in a rural area of Kancheepuram district.	5
18	Knowledge and risk factors about oral hygiene among people residing in urban field practice area in Thiruporur, Kancheepuram district	5
19	Awareness and knowledge about oral cancer among rural population of Kancheepuram district	6
20	Mental Health awareness among rural population of Kancheepuram district	5

## SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE

Ammappettai, Nellikuppam Post, Kancheepuram District – 603108

21	Knowledge and Awareness about the Oral Hygiene Practices among People in Rural field practice areas of Kanchipuram district, Tami Nadu	5
22	Morbidity pattern of patients attending RHTC in Kancheepuram district, Tamil Nadu.	7
23	Morbidity pattern of diseases among patients in Thiruporur Urban Health Center-2016 of Kanchipuram district, Tamil Nadu.	7
24	Contraceptive usage among women of reproductive age group in a rural area of Kancheepuram district, Tamil Nadu	5
25	Knowledge and Awareness about Breast cancer and Self Examination among Reproductive women and Menopause women in Fisherman community of Kanchipuram district, Tami Nadu.	5
26	Community based study on Perception about Menopausal symptoms and Quality of life of post-menopausal women in Rural areas of Kanchipuram district, Tami Nadu.	6
27	Knowledge and Practices on Menstrual Hygiene among Women of Reproductive age group in Rural field practice areas of Kanchipuram district, Tami Nadu.	3
28	Knowledge and Awareness of Diabetes Mellitus and its Complications among the Diabetes patients in Urban and Rural field practice areas of Kanchipuram district, Tami Nadu.	5
29	Practices regarding birth preparedness and complication readiness among the pregnant women and mothers of an infant in rural areas of Kanchipuram district, Tami Nadu.	6
30	Assessment of Gender inequality in a rural area of Kancheepuram dist.	4
31	Nutritional status and morbidity pattern of school children in a rural area of Kancheepuram district	4
32	Knowledge and awareness about breast cancer and self-examination among reproductive women & menopause women in rural areas of Kanchipuram district, TN	2
33	Morbidity pattern of patients attending RHTC in Kancheepuram district, Tami Nadu.	9
34	Anatomic study of Mesentery	1
35	Assessment of Physical activity and other determinants of obesity among urban and rural Preadolescents.	1
36	Knowledge, attitude and practices towards voluntary participation in health research among the medical undergraduate students	1
37	A cross-sectional study on the age of onset of puberty in females among rural and urban areas of Kanchipuram district in the past 5 years	1
38	A comparative study on the effect of increased body mass index upon pulmonary function and respiratory muscle strength in young adults.	1
