Session on 06-Mar-2020

The audience was welcomed by Ms.Ruth Grace, one of the team core members of Value Added Course. Dr.Jeneth Berlin Raj, one of the Core Team members & HOD of Physiology department has given a brief Introduction about the Resource person and The Resource person discussed in power point that how & various methods in administering the Health in public and also to improvise the Health in society in future . The Resource person conducted many interactive games in between the sessions to make the Topic more interesting. After lunch, the session started and the resource person made the topic more interesting by conducting group discussion among the students. The day ended with Tea & Snacks.

Session on 07-Mar-2020

The second session started on the next day and the Resource person conducted some Communication skill competitions among students by grouping them into 4 groups and it was very useful and taught the students about how they are important to their Profession and their day to day life . Many presentations were shown as videos, audios & PowerPoint presentations. The day ended with tea & snacks with vote of thanks.

Summary of the report

(in minimum 150 words, in a prose format for web information, social media and press)

Internal Quality Assurance Cell (IQAC) of Sri Balaji Vidyapeeth has organized a 2-days Program on Value added courses on **Public administration in health**. The objective was to improvise the Administration of health in public among the students for their profession in future. The resource person Dr .Manu Prasad, a member of Q-Team ,Mumbai has given a brief explanation about the Administration of health in public and its skills to be developed by students in profession. The feedback from the participated students indicated that the program was effective and has stimulated interest in them to attend more specific workshops & Programs.
