Internal Quality Assurance Cell, Sri Balaji Vidyapeeth Annual Report 2019-20

From the Vice-Chancellor's Desk.....

Prof. Subhash Chandra Parija

Sri Balaji Vidyapeeth constantly endeavours to enhance and sustain the quality in all dimension of the Healthcare namely Education, Research and Patient care.

The Internal Quality Assurance Cell of SBV (SBV-IQAC) functions in close tandem with all the constituent teaching units and centres to identify the need for quality initiatives, executes and monitors them in periodic interval. In the last academic year, IQAC has been strengthened with more members in the composition. The appointment of a fulltime Director for accreditations, has refined the functioning of the IQAC machinery.

As SBV enters the 2nd cycle for NAAC accreditation, a parallel team of NAAC workforce, comprising of Criteria leaders, Steering members and Task force members was created that worked alongside the office of IQAC in data collation and compilation in tune with the new Health Sciences Manual.

The rich experience gained through this process will definitely be put into practice in the future to enhance the quality of SBV further.

Internal Quality Assurance Cell, Sri Balaji Vidyapeeth Annual Report 2019-20

From the IQAC Coordinator Desk.....

Dr. Carounanidy Usha

Quality is a concept that has numerous definitions and is perceived differently in different domains of life. In the domain of Higher Education, it can be simply stated as doing things in the right way, at the right moment, for the right people. Sri Balaji Vidyapeeth as a Deemed-to-be, Health Sciences University, is acutely aware of its responsibility towards its stakeholders, such as the students, patients, and community, in providing high quality education and healthcare. SBV-IQAC ensures that quality becomes a culture of SBV in all its activities and thus internally motivates each and every member, to deliver their best to achieve global excellence.

The Academic year 2019-20, though challenged by the pandemic, has brought out the finest spirit of SBV to face the challenge with very innovative ideas. *One such significant initiative by the Honourable Vice-Chancellor is going digital with podcasts (Voice of SBV), webinars (SBV Connect), Video Podcasts (Channel One) online FDPs, online classes, and effective use of Learning Management system.* SBV shall continue this undaunted spirit and SBV-IQAC shall always stand as its frontline warrior.

Internal Quality Assurance Cell, Sri Balaji Vidyapeeth Annual Report 2019-20

Vision of IQAC-SBV

To function as the central coordination unit involved in planning, facilitating and monitoring Quality Assurance and Enhancement along the Vision and Mission of SBV and work towards excellence in Health Professions education, patient care and research.

Mission of IQAC-SBV

- To facilitate innovative strategic and action plans to achieve these goals to their expected standards.
- To set the goals and benchmarks in all facets of academics, administration, research and patient care.
- To deploy, constantly monitor, as well as catalyse the process of the attainment of benchmarks, through internal and external Academic and Administrative Audits.
- To obtain feedback from the stakeholders to assess the impact of the quality initiatives in education and in educational environment.
- To appreciate and acknowledge such quality ambassadors of SBV who achieve their targets.
- To be receptive to internal and external changes and be proactive in change management; thus, escalating the scales of benchmark to the next level of excellence.
